e. The staff of Introduction to Intelligence met on Monday afternoon and most of Tuesday, 18 and 19 March to revise the test covering Introduction to Intelligence. These revisions are based upon the results of A&E's Item Analyses and have the general purpose of making the test a better instrument of discriminating among the student performances. The revisions fall into one or more of the following categories:

(3) Eliminating ineffective distractors and creating ~~new~~ *effective* ones.
